KOURTNEY SHARKEY

UX/UI DESIGN • GRAPHIC DESIGN
WORDPRESS WEB DESIGN

WORK EXPERIENCE

Lead Designer / Web Designer | Zuddles LLC. | 2008 - Present

- Responsible for Making/Overseeing Print & Digital Design Projects
- Company's Only WordPress Web Designer
- Create designs for everything from logos to business cards, vehicle wraps, fliers, promotional items, invitations and more.
- Printing Equipment Experience including Digital Presses, Large Format Printers, Dye Sublimation, Apparel Decoration, Binding & Finishing Machines, Laser Engraving, Die-Cutting Equipment and More.
- Worked with a large variety of clients ranging from singular to large-scale corporations.
- Assisted with Customer Service & Coordinated Design Meetings
- Responsible for overseeing other designers' work prior to sending deliverables to clients.

Freelance Designer | 2010 - Present

- Specializing in developing cohesive branding guides for clients that include logos, typography, iconography, color palette development, and more.
- Coordinating with clients to meet via Zoom, Discord, or Skype due to the position being remote and clients being world-wide.
- Numerous in-game UX/UI interactive designs created for community-ran servers in the game called 'RUST.' These include scoreboards, menus, multi-page experiences such as internalized database search engines, multi-faceted diagrams, and more.
- Clients range from individuals like content creators Spoonkid and CEEG to large organizations like Rust in Peace and Rustopia, or real-world corporations such as Ecolab and Jonny Almond Nut Company.

MORE BYTES

- I own an online gaming community with over 4000 members, consisting of 8 servers.
- I enjoy traveling, reading, and watching movies during my spare time.
- I love to play FPS, MMORPG and Survival PC Games.
- I was self-taught in graphic design up until 2019 through experience at my family's printing business.
- My favorite music genre is Alternative Rock.
- I am very passionate about what I do and am always eagerly ambitious to learn new things.
